

THE BIRMINGHAM CATHOLIC PRIMARY PARTNERSHIP

Safeguarding in Computing and Digitally Marketing Your School

Wednesday 14 March 2018
Edgbaston Stadium, Birmingham

MORNING SESSION PLUS LUNCH

Provider: Steve Rowley - Link2ICT

Outline of the session

This course is designed to help you develop a better understanding around safeguarding and computing. We will look at the theme of 'staying safe in a digital world' for both staff and pupils. A provision map for Online Safety and a new progressive competency framework will be two resources we will be looking at. There will also be a section on digitally marketing your school - making the most of your school website and discussing the use and implications to consider when using social media and other forms of digital communication.
